Our Academy, Our Future

Dear Parents and Carers

Eligibility for Pupil Premium (2020/2021)

Pupil Premium is additional funding provided by the Government to assist schools in raising the attainment and progress of students who are in full time education up to and including Year 11. The funding is not necessarily given because a student is underachieving, but enables us to address the national trend that Pupil Premium students do not attain as highly as non-Pupil Premium students.

The Government regards schools; that are responsible for the outcomes of children; as being best placed to determine how this money is spent. We have chosen to spend the additional funding on a number of academic and pastoral intervention strategies including, but not exclusively, the annual cost of programmes such as Hegarty Maths, STAR Reader, Accelerated Reader, First News, Read and Write Gold and Power of 2.

Students and parents are also able to access the following:

- Financial support for compulsory curriculum based educational trips.
- A discount of 50% for music tuition taking place on the school premises and led by one of the peripatetic music teachers employed by the school. *(Please note the level of support currently available is at the school's discretion and may differ from one academic year to the next, depending on the uptake and amount of total funding available.)*
- Provision of equipment such as:
 - ❖ Calculator and geometry set *(Year 7 only)*
 - ❖ French or Spanish dictionary *(Year 7 only)*
 - ❖ Revision guides and workbooks *(distributed by subject areas as needed)*
 - ❖ Technology supplies
 - ❖ Subject specific equipment identified by curriculum area staff for students starting GCSE courses *(Year 10 only)*
- Payment of lockers
- Easter revision school *(Year 10 and 11)*
- Maths and English summer progress push
- INSET booster sessions
- Bespoke intervention programmes

Free School Meals and Ever6

One of the criteria used to calculate this additional funding is the number of students at a school who receive Free School Meals (FSM) and who are in full time education up to and including Year 11. In common with most schools it is likely that a number of parents/carers whose daughters attend Sandbach High School fail to claim FSM, even though they are entitled to them. Without this additional funding the benefits your daughters can enjoy will be more limited. Not only that, our catering team provides an excellent range of healthy lunch options that are enjoyed daily by our students and your daughter may well be able to access these free of charge.

In order to claim FSM, a parent/carer must be claiming one of the following benefits:

- Income Support
- Income based Jobseeker's Allowance

- Income related Employment Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit - as long as you have a yearly household income of less than £16,190 (as assessed by HM Revenue and Customs) and do not get Working Tax Credit
- Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for Working Tax Credit)
- Universal Credit with no earned income or with net monthly earnings less than £616.67

If you think that you are eligible to apply for FSM for your child, or if you are not sure, you may want to contact the Cheshire East Free School Meals Helpline on **0300 123 5012**. A member of their team will be able to advise you. When calling, it will help if you have your National Insurance number to hand. In this way, you will be able to register for Free School Meals immediately should you be eligible to do so.

Eligibility for Pupil Premium also includes students known to have been in receipt of Free School Meals in any of the previous six years. This historical eligibility will be determined centrally by the DfE using the National Pupil Database (NPD) and communicated to schools.

Children Adopted from Care or Who Have Left Care

The DfE have introduced an entitlement to Pupil Premium for those children who were Looked After immediately before being adopted or who left care on a Special Guardianship or Child Arrangements Order (previously known as a Residence Order). It will be for those who have parental responsibility to decide if they wish to self-declare their children's status to schools. Parents or carers are requested to provide supporting evidence, for example, a photocopy of the adoption order. Parents or carers may conceal sensitive information (e.g. the name of the birth parents) if they wish.

Looked After Children

Children in the care of the Local Authority are entitled to Pupil Premium. This element of funding is paid directly to the Virtual School run by the Local Authority. Schools are able to submit funding requests for the benefit of the Looked After Child's educational needs (as described in their personal education plan) to the Virtual School for consideration.

Service Children

Children whose parent(s) is/are serving in regular HM Forces military units (or in the armed forces of another nation and stationed in England), exercising parental care and responsibility, and designated as personal category 1 or 2 are entitled to Pupil Premium, although at a lower rate. The DfE will use the information already available via National Pupil Database and Ministry of Defence child pension data to determine the actual numbers of students eligible for the Service Child Premium, which will be communicated to school.

Finally, if you are concerned that we have not received confirmation of your daughter's eligibility for Pupil Premium under any of the categories listed above, please contact Miss C Smith at school or by email at csmith@sandhigh.cheshire.sch.uk.

Yours sincerely

Ms N Oyler
